

Interested in Research?

We want to know what you think of an adjustable prosthetic socket created by Vessl Prosthetics.

**You may be eligible to participate in this research study,
*Prosthesis user and prosthetist perceptions of an
adjustable prosthetic socket IRB#2025-473,*
if you are 18+ years of age and
use a transtibial prosthesis.**

**The study is expected to take 2 visits, but may take 3
visits (each up to 2 hours). People that complete the
study are eligible to receive up to \$100.**

You will be asked to:

- **Answer survey and interview questions**
- **Try on (and potentially walk with) the socket**

**Your prosthetist will be asked to make the socket and
assess socket fit.**
