

What do you think about advances in prosthetic technology?

For this NIH-funded research study, you will be asked to complete a brief demographic survey. Based on your demographic information, you may be asked to complete an interview.

You may receive up to \$50 for participating.

You are eligible to participate if you are:

- 18+ years of age
- a person who has limb loss or limb difference, or a clinician or policy maker

Ready to start? Please follow the QR code to take the demographic survey here:

Questions? You can email Graci Finco, PhD, CPO at g.finco@tcu.edu to learn more!

Texas Christian University does not discriminate based upon any protected status.
